

NIO

Large Office Brewer

de JONG DUKE

WHY WE RECOMMEND THIS BREWER

Quality drinks from a machine with great capacities and useful features in an easy to use and proud yet stylish design. The Nio from de Jong DUKE confirms what you expect; a surprising coffee experience from a professional and distinguished looking machine.

A very useful feature of the Nio is that it can be completely operated without having to open the machine. Filling, cleaning and the removal of used grounds can be done from the outside of the machine. This keyless cleaning & operation also dubbed as closed door cleaning will make cleaning an easy task while keeping your hands clean.
