

WHY WE RECOMMEND THIS BREWER

The FLAVIA® Creation 500 blends stylish design with enhanced drinks and menu display options. The ideal drink machine for large offices, the Creation 500 crafts authentic coffee, tea, hot chocolate and specialty drinks like lattes and cappuccinos. All drinks can be brewed in small, regular or large size, and you can even brew drinks over ice! The quick brewing speed and wide variety of options was designed with large offices and collaborative spaces in mind.
